- Validation Studies

# Forensic Science

## Summer Internship 2019

May 29<sup>th</sup> – August 2<sup>nd</sup>

*Spend 10-weeks working alongside practicing scientists in an actual forensic laboratory!*

Hone your forensic skills in one of the top-ranked internship programs in the US. Learn from industry practitioners and work HANDS-ON with STATE-OF-THE-ART forensic instrumentation to become “industry-ready!”

- Mirrors the new-hire training program used by NMS Labs
- Guest lecturers from industry leaders
- Participate in an active homicide investigation
- Learn about cold-case investigation
- Career-preparation, resume review, CV development and interview coaching
- Court and testimony training and mock trial presentations

**APPLICATION DEADLINE: MARCH 1, 2019: [cfsre.org/internship](http://cfsre.org/internship)**
