The International NPS conference series, which started in Budapest in 2012, aims to share knowledge and strengthen collaboration on NPS among multidisciplinary professionals at the international level. The 2020 meeting will be the first time the conference has come to the United States.

The 2020 conference is jointly organized by the CFSRE, the United Nations Office on Drugs and Crime (UNODC), the European Monitoring Centre for Drugs and Drug Addiction (EMCDDA), the World Anti-Doping Agency (WADA), and the University of Hertfordshire.
